Enrollment

- Jen from Northern Light Acadia Hospital gave an update as to who they have reached out to for Cohort 1 and who is currently enrolled, who is in process and timeframe for cohort 2 providers.
- Julie from MH gave an update as to who they have reached out to for Cohort 1 and who is currently enrolled, who is in process.
- Talked a little bit about Rural and Underserved and which counties have been identified as target counties.
- Got a brief update from Dr. Mayhew about the consultations she has been doing recently, what she is seeing so far for requests.

Sustainability

- Talked about developing a subgroup and who we may want to have as part of the subgroup.

Committee Member Updates

- We heard from David Moltz, Dianna Poulin and David Walter about the consultation project, what services they are offering, what they are seeing for provider engagement, what they have seen as trends and how we can support one another's efforts.

Advisory Board Meeting Days & Times

- We talked about this meeting and how the time that we currently have is hard for clinical providers to attend as they are providing services at this time.
- We talked about whether we really need the full 2 hours or if we could cut it down to 1 hour
- We talked about days, times and did a poll
- We agreed to send out a survey monkey polling board members to see if we can come up with an alternative day/time that works better.
